

## 1S28: Kings Cross to Edinburgh Deltic Hauled in 1978

### Part 2: Peterborough - Doncaster

This service is scheduled to Depart Kings Cross at 1300 with 11 coaches.

All passenger stock in this scenario is from an authentic 1978 timetable.

There are a number of goods/work trains running to represent the major re-signalling of the Doncaster area going on at this time {completed in July of 1979}. There is one fictional passenger service running, representing Margaret Thatcher and members of her opposition Conservative Party, heading to her home town of Grantham to unveil the towns new toilet facility.

You are scheduled to pass through Peterborough at 13:54, but today you have been held at the Outer Home Signal due to a shunting movement ahead of you, can you get back on schedule?
